

Tiny Toes Academy 2026

Registration Requirements & Tuition Schedule

A \$150 *annual* registration fee per child will be due at the time of registration to secure your child's enrollment. This fee is non-refundable and non-negotiable.

Infants- A \$100.00 fee will be due per month until your start date. This fee will go towards your first week tuition. This does not include your annual registration fee.

The following items must be received before your child's first day:

1. ELV Digital Enrollment (Enrollment Platform)
2. \$150 Annual Registration Fee
3. Immunization Record
4. General Health Appraisal

To remain in compliance with state licensing and the Arapahoe County Health Department we do have to have an up to date and signed **General Health Appraisal** for each child on file. This must be updated each time a child has a well-child visit with their pediatrician. According to AAP guidelines, well child visits are recommended at 2, 4, 6, 9, 12, 15, 18, and 24 months. These forms are kept in the front lobby for your convenience.

Discounts

A 10% discount will be given to families with siblings. To qualify for our multi-family discount all children must be enrolled full-time. (Discount will be applied to the eldest child's tuition). These discounts will be given to full-time (5 days/week) families only.
